To vote for a named candidate, completely fill in the oval to the left of your choice. Use blue or black ink.

To vote for an eligible write-in candidate, completely fill in the oval to the left of the write-in line, and print the name of the candidate on the line. If a race does not contain a write-in line, you cannot vote for a write-in candidate.

To make a correction in a race with more than one candidate, draw a bold line through the oval and candidate name marked by mistake, then fill in the oval next to the correct name. If you voted for the only candidate in a race and want to withdraw that vote, you must request a replacement ballot.
