Committee(s): Health and Human Services Position(s): Vice Chair

I, Wendy Buxton-Andrade (insert name) commit to participating in the encouraged training as described in the bylaws.

I have been Chair and Vice Chair of this Steering Committee for the past 8 years and this committee needs leadership that knows the different funding sources (I currently sit on CWAC and WAC) and programs that are overseen through this committee. This committee also has a ton of bills that are presented which will significantly impact Counties, either financially or through implementation. The background and knowledge are vital and I have both, so I can help every County in the State to make sure our voices are heard at the Executive Level of Health and Human Services as well as at the State Capitol. These are the reasons I am running for the Vice-Chair position.

Thank you for your support.
