Dear Fellow Commissioners,

I am seeking your vote to fill the position of Vice Chair for the Transportation & Telecommunications Legislative Steering Committee for the 2023 Legislative Session.

I have been an active member of this committee for six years and wish to bring my experience in transportation matters gained through participation on the Eastern Transportation Planning Region (ETPR) and as ETPR Co-Chair, member of the CDOT Region 4 Chair Coordination Committee, and voting member of the Statewide Transportation Advisory Council (STAC) to the Vice Chair position.

I have been closely involved with both Broadband and emergency communications issues in the eastern plains region as Chair of the Eastern Colorado Council of Governments.

As a former School Board Member and current County Commissioner, I have testified many times before legislative committees and have been a member of working groups engaged in drafting and amending legislation.

If elected to serve, I will to the best of my abilities support positions taken by the Steering Committee and will support the Chair as necessary in his or her duties.

If you have any questions, please feel free to contact me.

Respectfully,

Chris Richardson

Elbert County Commissioner
