I, *Jody Shadduck-McNally*, commit to participating in the encouraged training as described in the bylaws.

I am submitting this letter of intent to express my desire to serve in a leadership role on the General Government Steering Committee as Vice Chair. I have attended the General Government Committee meetings for the past two years and have learned a lot. I would like to now serve in the Vice Chair role to support consensus building and a healthy dialogue. I am currently the Chair of my BOCC and was Chair Pro Tem last year. I was appointed to the Colorado Forest Health Council by the Governor and I was voted to chair the legislative subcommittee of the Forest Health Council. I have taken numerous leadership training courses, and conflict resolution training. I started two non profits in the past 15 years and was President of both of those boards for several years. Thank you for your consideration.
