Committee(s): Transportation

Position(s): Vice-chair

I, Randall Wheelock, commit to participating in the encouraged training as described in the bylaws.

I hereby submit my application to CCI to serve as Vice-chair of the Transportation Committee. I believe in integrated transportation systems which serve both urban and rural Colorado, and which attempt to provide regionally equitable funding to accomplish that goal. Rural Colorado has traditionally been underfunded for infrastructure, especially on county roads impacted by external travel demand.

I have been a city councilman (Idaho Springs), school board member and now have been a county commissioner for 6 years. Concurrently I operated Wheelock Construction, Inc. from 1975-2016.

### My activity in organizations related to transportation:

- Clear Creek County I-70 Task Force 2004-present
- I-70 Coalition, Current Vice-chair for last 4 years 2005-2007; 2017-present
- I-70 Collaborative Effort, Current Co-chair for last 4 years 2017-present
- DRCOG Board of Directors 2017-present
- Governor's Transportation Funding Sessions 2019
- CDOT Director's 10 Year Plan Review Panel 2019
- Worked w/CDOT Director/staff to develop Pegasus project 2019-2021
- Project Leadership Teams (PLT) and Tech Teams (TT) 2017-  
for various highway project CSS processes.

Thank you for your consideration, Randy Wheelock (970) 390-2195
