Letter of Intent for Public Lands Chair

Please consider this my formal letter of intent to volunteer for Steering Committee leadership with regards to Public Lands. I would be honored to serve in the capacity of Chair of Public Lands or as an alternative, Vice Chair. In addition to having served on this committee for the past two years, I was also the former Teller County Planning Director and have long term relationships with both USFS and BLM leadership. Teller County is 54 % public lands, and I am very conversant as well as very active with our federal partners to include fire mitigation, forest health, public use of lands, and the southern shooting partnership.

Respectfully

Dan

Dan Williams

Commissioner

Teller County

Phone 912 247 1258 **Email address:** williamsd@co.teller.co.us

Term 2 years into first 4-year term. Plan to run again. Teller County is a term limited county (8 years)

Currently sit on ag and rural affairs, public lands and a number of other CCI boards.

I consent to whatever training CCI encourages or mandates if selected.
