

2021 LEGISLATIVE ISSUE FORM

CCI is soliciting potential legislative issues for the 2021 legislative session. Given current events and yet unknown effects on budgets and resources, the CCI Board respectfully requests that counties carefully consider the limited capacity CCI might have in the upcoming year before submitting any requests. It is likely that a large number of legislative issues will be introduced that will require extensive county commissioner advocacy and a significant time commitment by CCI staff. Thoughtful consideration about the limited resources that will be available to local governments is both encouraged and recommended.

Please answer all the questions on the following page for each of your county's legislative issues. If your county submits multiple issue forms, please prioritize your issues. Submitted issues are discussed during the summer steering committees and district meetings. We encourage you to confer with your county managers or administrators and department heads, as well as other elected officials, to determine what issues are the most pressing in your county and have implications for other counties. All submitted issues forms **must have the support of the Board of County Commissioners.**

- Please return your issue forms to Kristin Dunn at kdunn@ccionline.org
- You may use more than one page when submitting issues and to submit additional documentation or background information related to the issue.
- Legislative Issue Forms must be returned by **Friday, July 24, 2020** to be discussed during the summer legislative review and steering committee meetings.
