

# GRAND HYATT®

VAIL

Greetings,

On behalf of our entire team, please accept our sincere gratitude for choosing to stay with us!

As part of Hyatt's Global Care and Cleanliness Commitment guidelines, we encourage guests to wear face coverings on property where social distancing is not feasible. Aligned with the CDC's new guidance, face coverings are no longer required indoors or outdoors for guests who are fully vaccinated. Face coverings are still required for non-vaccinated guests within indoor public areas, as well as outdoors where social distancing is not feasible.

**Federal regulations still require face coverings when using public transportation, which includes the Grand Hyatt shuttle, Vail Town Bus and ECO Transit. Additionally, face coverings are required in the Grand Hyatt Vail Spa.**

For the care and concern of our guests and fellow colleagues, Grand Hyatt Vail and Vail Residences colleagues will continue to wear face coverings. Also note, as you explore the Vail Valley, individual businesses may choose to continue to implement wearing a face covering in their establishment. We continue to have complimentary disposable masks available at our Front Desk and within our shuttles.

Again, thank you for staying with us. We appreciate having you as our guest!

Sincerely,

The Grand Hyatt Vail Team
