

County Regulatory Status – Retail and Medical Marijuana

- Licensing at least one type of medical and retail marijuana facilities
- Ban/moratoria on both medical and retail marijuana
- Licensing medical marijuana facilities only
- Licensing retail marijuana facilities only

CCI is providing this map for informational purposes only. Please note that regulatory status only applies to the unincorporated area of the county. Municipal elected officials set policy within the incorporated area of any town or city. Some counties have capped the number of licensed facilities in their jurisdiction. Please contact the counties directly for more detailed information on their regulatory status.
