The Geographic Information System (GIS) and its components are designed as a source of information for planning, mapping and monitoring. GIS is not intended or does not provide legal descriptions or boundaries in the field of law and other information contained in official government records such as the County Clerk and Recorder's office or the court. It should be representative of conditions in the GIS cannot be substituted for actual legal maps.

The information contained here is for informational purposes only. It is not intended to be used as a substitute for professional advice or services. The user assumes all responsibility for the accuracy or reliability of any information contained herein. Users assume all risk and responsibility for any and all damages, including consequential damages, which may result from the use of the information.
